After taking your luggage and passing through the customs,
You will be in the Arrival Hall,
Here you can find some banks to change money or withdraw cash,
Don't go out of the Arrival Hall,
But go on the left, until the end of it,
Following the logo of the Train.

Go through a big turning door,
Then you will face some Automatic Machines,
To buy your train ticket to Montreux,
Other machines and a counter are on the other side of the escalators.
Select the type of payment (money, credit card)
Your destination (Montreux)
One way (one arrow) or roundtrip (double arrow)
1st or 2nd Class
1/1 Full price (1/2 is for people who have a special reduced fare).

Walk round the escalators,
Then you will see a board with the next outgoing trains
With the platform numbers.
You have to take a train with destination Lausanne-Sion
Montreux is between Lausanne and Sion
But the name of Montreux generally does not appear on the board.

Then go to the platform by taking some escalators,
Thanks to the highly advanced Swiss technology
You can go with your cart on the escalators.
Go on board on the train,
The train is going along Lake Geneva,
In about 1h15 you will arrive in Montreux.

If you want and have time
On your way to or from Montreux
You can stop in Geneva
It is the next station (10 mn).
From Geneva train station
You can visit the town in about 1 hour.
Put your luggages in some lockers
And take the street which is going down
In front of the train station.
You will find many shops for tourists
And arrive at the Mont-Blanc bridge
Where you can see the famous fountain
And Jean-Jacques Rousseau island
On the other side of the bridge you can visit the old town.

In this part of Switzerland people speak French and generally also English
The currency is the Swiss Franc but you can generally also pay in Euros or US Dollars
